

PRODUCT DETAILS

Juno

Available with
'Electric HA' option

Juno, an elegant wall mounted presentation station suitable for a wide range of smaller spaces or reception areas.

The screen can either be mounted to the wall or on an articulated monitor arm for security (additional cost option). Juno features a housing underneath for a PC and tidy internal cable management, creating the perfect space saving unit.

Features

- 13U horizontal (350mm depth) / 5U vertical (500mm depth) rack space (on Juno B & C)
- Excellent equipment access on all models
- Housing underneath for AV /IT equipment

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Utilise any sized space
Space saving unit, enabling AV integration into smaller spaces.

Juno C - Electric height adjustment
Able to accommodate up to **70kg** of equipment
