

PRODUCT DETAILS

SYNERGY HA

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

SYNERGY is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.

Features

- Height adjustable end section
- Mast and cable well connectivity options
- Secure screen mount (up to 700x400 VESA screens)
- Available with a range of accessories

Equality Act compliance

HEIGHT ADJUSTABLE

- Facilitates needs for users with special height requirements
- HA area rises sufficiently to be used as a presentation point to a small group

Collaboration is key

Creating active learning environments to enhance student collaboration.

Communicate & share

Our table shapes help promote discussion and enhance engagement.

Facilitates seamless AV/IT integration

Complete cable management creates an 'all-in-one' solution.
