

PRODUCT DETAILS

UNITY

Configured for you...

- 3 worktop shapes available
- Customisable connectivity
- Internal cable management
- HA versions available

UNITY is a conference/meeting table which facilitates integrated technology. Plug and play connectivity and power points are integrated into the centre of the table, enabling the user to connect and utilise supporting technology in the room and provides charging for their personal devices.

QUAD, BLADE and PLECTRUM standard shapes available or may be customised to suit your specific requirements.

Features

- Available in 3 worktop shapes to suit any user requirement, ranging from 4-20 seats
- Standing (990mm), seated (730mm) or fully height adjustable options available
- Customisable connectivity options

Collaboration is key
Creating meeting/workspaces to enhance employee collaboration.

Communicate & share
Our table shapes help promote discussion and enhance engagement.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.
