

PRODUCT DETAILS

Nest

Nest is an innovative range of fully upholstered collaborative work pods. Single workstation options are also available for one-person working. These fabric panels designed with the booths and sofas help limit external office noise, encouraging collaboration between users by creating enclosed meeting spaces with effective acoustics.

Nest booths and sofas are highly customisable to suit your needs. Contact us to discuss your requirements. We offer a range of fabric, colour finishes and seating options, please ask for guidance.

Features

- Variety of fabric panel and feet options
- Choice of single or collaborative work options
- Modular design

Effective acoustics

Limits external noise, creating the ideal solution for any open plan office spaces.

Plug in and play!

Simple to install by our team, these booths are easy to use and ready to 'plug in and play'.
