

Arc Animate

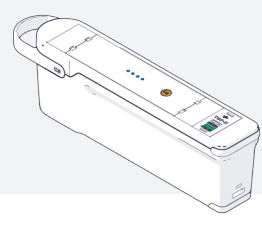

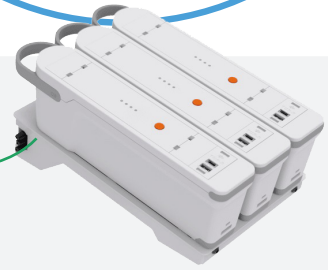

Arc Animate is a range of tilting tables ideal for flexible learning spaces where access to power outlets is limited or non-existent, creating technology enriched learning environments fit for their requirements where-ever they are.

Arc Animate features a portable QikPac battery for BYOD device charging within flexible learning spaces, eliminating the health and safety risk from trailing mains cables.

The battery can be removed from the table and charged in a separate dock then hot swapped with a fully charged battery pack, allowing for continual use.

QikPac Charger Base available for up to three batteries at a time
5-7 hrs charge (2x batteries)
9 hrs charge (3x batteries)

QikPac battery provides power for laptops, phones and other devices.

Cable management

Fully enclosed cable management below the worktop for tamper-proof power supply.

Maximise your space

Create agile learning environments to fit your specific working requirements.

INTEGRATED PORTABLE QIKPAC BATTERY

Power devices such as laptops, phones, tablets and other mobile electronics.

With a full 200Wh capacity the Animate system is capable of fully charging...

4 or **10** or **20**
Laptops Tablets Mobiles

FREEDOM TO MOVE POWER TO LEARN

Create **Flexible Spaces** with truly agile technical furniture, powering devices, free from the concerns of tethers and trip hazards such as trailing mains cables.

FEATURES

Choice of Blade, Quad, Teardrop, circular and Obround worktop shapes (4 & 6-seat)

Folding table with user-friendly release mechanism

Smooth controlled 'tilting action'

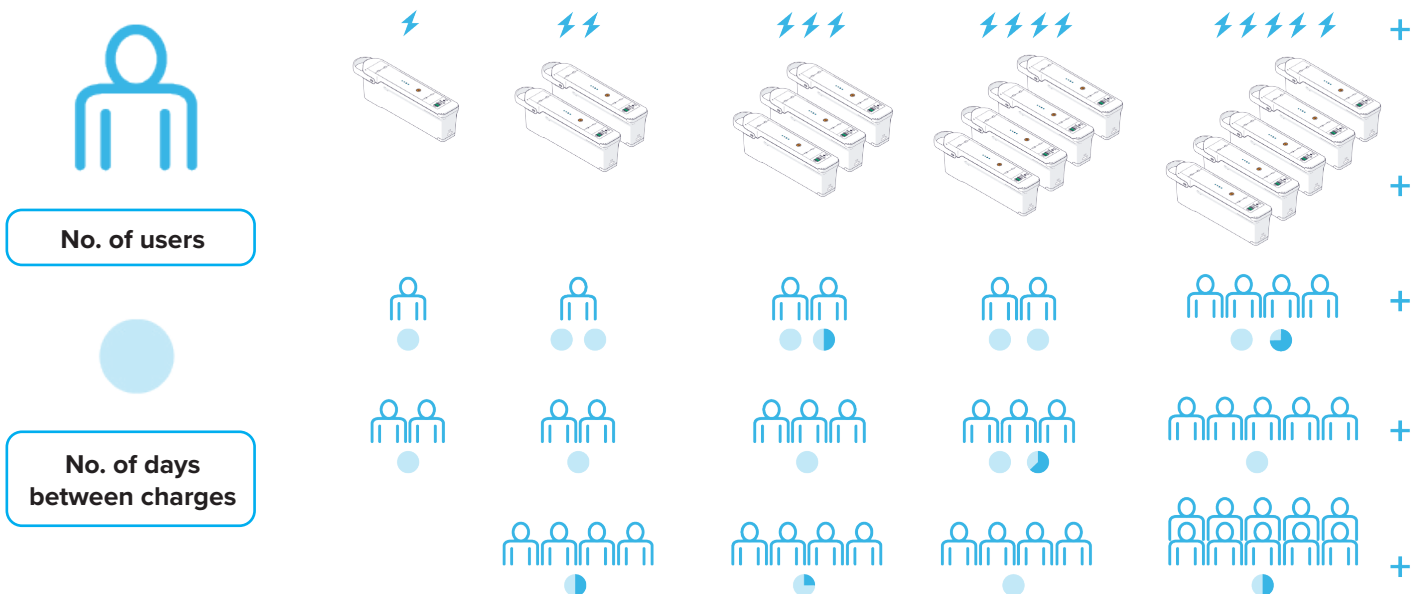

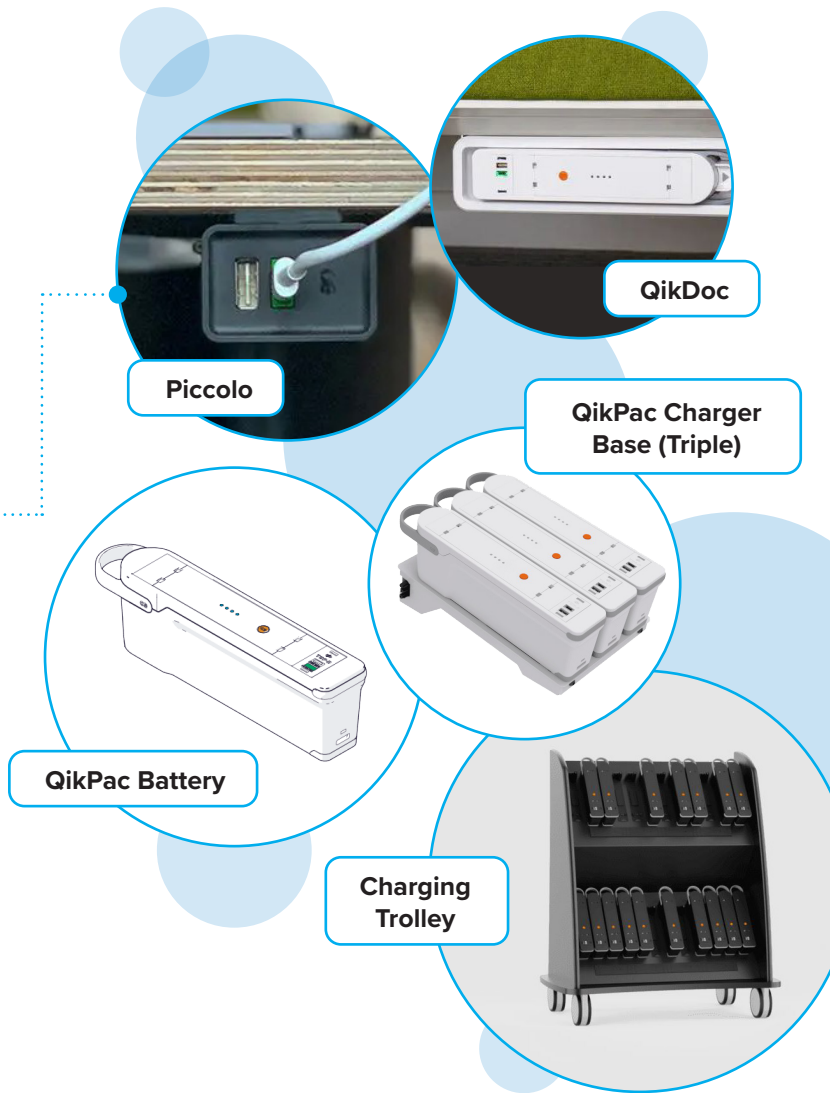

On-board QikPac Battery + QikDoc

BUILD YOUR OWN SOLUTIONS

Our Animate system is designed to be adaptable, meaning you can add & remove QikPacs to meet your exact needs.

For example, an average person can utilise a single QikPac for an entire day of charging power - maybe even more!

But, what if you'd rather have even more freedom between charging times? The more QikPacs in the system, the higher the capacity to charge the user(s) over longer periods of time. This time decreases as more users rely on the same source.

Models

All tables 779mm(H - flat)

Blade (4-seat)	AC-BE04-A	1600mm(W) x 1120mm(D)
Blade (6-seat)	AC-BE06-A	1880mm(W) x 1120mm(D)
Quad (4-seat)	AC-QD04-A	1600mm(W) x 1020mm(D)
Quad (6-seat)	AC-QD06-A	1880mm(W) x 1020mm(D)
Teardrop (4-seat)	AC-EE04-A	1700mm(W) x 1215mm(D)
Obround (4-seat)	AC-OD04-A	1700mm(W) x 1020mm(D)
Circular (6-seat)	AC-CR06-A	1600mm(W) x 1600mm(D)

Bespoke worktops available, let us know your requirements!

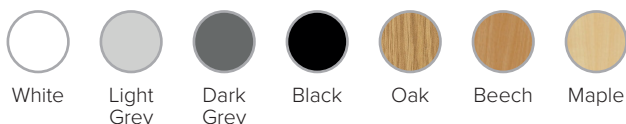

Specification

- Choice of standard paint, worktop & edge banding finishes
- Cable tray beneath worktop
- Cable management on the underside of the worktop
- Worktops are supplied with a depth of 25mm
- Castors
- 1x QikPac Battery + QikDoc
- 1x QikPac Charger Base (Triple)
- 4x Piccolo DC A+C inputs (2x on each side)

Standard paint finishes

Standard worktop & edge banding finishes

Make it your own!

We offer a wide range of non standard colours and finishes. Custom colours can be supplied at standard pricing but may incur an additional cost.

Lithium-ion Battery

- 200Wh scalable capacity
- IEC & UL standards
- Black or white finishes
- 5-7 hrs charge time (2x batteries)
- 9 hrs charge time (3x batteries)
- High cycle durability Lithium battery
- USB A + C output options
